

About **4 on the Floor** Dog Training

4 On the Floor was founded by Kelly Citrin, CPDT-KA, MBA with the training philosophy of patience, persistence & positive reinforcement, including praise & play. We offer harm-free, fear-free dog training, behavior consulting, and socialization. We are passionate about each one of our human & canine clients, from puppyhood (*starting at 8 weeks!*) through adolescence & adulthood.

Kelly serves as Secretary on the Board of National Capital Therapy Dogs (NCTD). She is a therapy dog instructor with an actively working therapy dog.

We operate throughout Montgomery County & beyond to help you find the best solution for you and your pup!

Community service is at the core of our mission and we are proud to work in partnership with the City of Rockville, local community organizations, nonprofits, rescues, & more.

Fear-Free / Harm-Free Training

We practice free-free, harm-free, positive reinforcement training. All of our trainers are members of the Pet Professional Guild (PPG). We are proud to uphold the high ethical and scientific training standards set by the PPG.

Socialization & Play

Socialization is fundamental for dogs of all stages of training and beyond. It's also important for YOU & YOUR DOG to have fun when training. In addition to play integrated with classes, we offer playgroups regularly for our clients' pups. Provide your dog with positive play experiences with other dogs and learn to read their body language from our trainers.
